

## CAPABILITY STATEMENT

Cage Code: 59HM4  
Duns #: 131255457

Technifex XR is an innovative, solution-based company that specializes in delivering end-to-end immersive training experiences for military personnel, first responders, and other professionals. Our strong company culture, decades long enduring relationships and industry leading in-house talent enable us to provide cutting-edge technologies and highly innovative training solutions. We serve the military and private sectors, providing products and solutions that incorporate the next generation of training technologies.

### Core Competencies

#### Special Effects:

- Mechanical Effects
- Flame & Fire Effects
- Atmospheric Effects
- Water Effects
- Specialized Projection Systems
- High Pressure Steam Effects
- Specialized Lighting Effects
- Visual Illusion Effects

#### Engineering:

- Mechanical Design & Engineering
- Control System Design & Engineering
- Lighting Design & Controls
- Audio Design & Controls
- FEA/FMEA Analysis
- 3D Modeling

#### Vertical Solutions:

- AR/VR/MR Solutions
- Defense
- Training & Simulation
- Local & State Municipalities

#### Manufacturing:

- Machine shop
- Water Jet
- Weld shop
- Wood shop
- Electrical
- Audio/Video
- Rapid Prototyping & Mock-ups
- QA/QC

#### Project Management:

- Total Lifecycle Logistics
- Design and Development
- Technical Management
- Risk Management

#### Certifications:

- 508A Industrial Control Panel Mfr.
- 1640 Portable Power-Distribution Mfr.

#### Facility Summary:

- 42,000 sq.ft. Production Facility
- 20,000 gallon In-Ground Test Pool

### Differentiators

#### Experienced:

Over 35 years of Design and Engineering, Special Effects, Manufacturing, Project Management, and Technology Integration in the public and private sectors.

#### Innovative:

We are solutions orientated that leverage our in-house expertise, align with industry leading strategic partners and technologies to provide solutions that are variable, controllable, and measurable to meet identified training parameters.

#### Flexible:

Our solutions are custom tailored to the unique requirements of each customer.

#### Performance Driven:

Our focus is strong partnerships and specific training requirements towards the delivery of exceptional solutions that outperform our customers' requirements.

#### Service Oriented:

We believe delivering the highest level of customer service is the cornerstone to delivering any product or service.

#### Valued Partner:

We provide high quality solutions and services that scale to the needs of our customers.

### Past Performances

Our solutions teams bring over 35 years of experience with a rich and diverse skill set working with federal, state, local governments, and industry leading private sector organizations.

#### Government:

- Joint Improvised Explosive Device Defeat Organization (DoD)
- Los Angeles County Fire Department Del Valle Training Center
- Office of Government Services: New York State Homeland Security
- USC - Institute for Creative Technologies

#### Private Sector:

- Walt Disney Imagineering
- Disney Parks and Resorts (Worldwide)
- Walt Disney Creative Entertainment
- Universal Creative
- Universal Parks (Worldwide)
- Raytheon Corporation
- Lockheed Martin
- Ford Motors
- AT&T
- Motorola

### NAICS / PSC Codes

- 611430 Professional and Management Development Training
- 611512 Flight Training
- 512191 Teleproduction and Other Postproduction Services
- 541330 Engineering Services
- 541340 Drafting Services
- 541430 Graphic Design Services
- 541511 Custom Computer Programming Services
- 541618 Other Management Consulting Services
- 541611 Administrative Management and General Management Consulting Services
- 541690 Other Scientific and Technical Consulting Services
- 541710 Research and Development in the Physical, Engineering, and Life Sciences
- 332510 Hardware Manufacturing
- 332710 Machine Shops
- 332721 Precision Turned Product Manufacturing
- 332999 Miscellaneous Fabricated Metal Products Manufacturing
- 333318 Other Commercial and Service Industry Machinery Manufacturing
- 334310 Audio and Video Equipment Manufacturing
- 336413 Other Aircraft Parts and Auxiliary Equipment Manufacturing
- 71311 Amusement Parks and Arcades
- 71321 Casinos
- 33324 Industrial Machinery Manufacturing
- 3353 Electrical Equipment Manufacturing
- 6930 Operation Training Devices
